### New and Improved AutoPay Processes

Beginning February 1, 2018, there will be changes to the AutoPay loan payment and share transfer processes. Currently, all AutoPay loan payments and share transfers are linked to direct deposits or payrolls. Moving forward, all AutoPay transfers will be set based on the date a loan payment is due or the date you would like a share transfer to take place.

It will be your responsibility to ensure the amount of money needed for the payment or transfer remains in your account to pay the loan payment on the date it is due. Check your balance and transaction activity when you are utilizing Bill Pay, ART or initiating transfers or cash withdrawals from your accounts.
