

Membership News Letter

PayCheck Advance Loan (PAL)

The PALs are now offered to the qualifying membership Monday through Friday of each week. This enables better convenience to the membership and we hope you enjoy!

Social Security Benefits

We have had several members inquire about the schedule/availability of their Social Security benefits. Please visit www.ssa.gov and perform a search for "benefits schedule" and you will find a very nice schedule for your review.

Account Profile

It is the beginning of a new year – make sure you are receiving your account statements and credit union correspondence! To ensure we have current contact information on membership accounts, credit union employees will request that you complete the Account Update Form. We are happy to assist if needed.

Debit Cards

As mentioned in the December Newsletter, the debit card annual fee of \$15.00 will be assessed this month. The fee will be deducted from your Debit Card "99" account.

Mobile Apps

We continue to address the technical issues with our Mobile App. Our hope is to have this resolved by the end of January. We apologize for the inconvenience.

Credit Union Involvement

Your Board of Directors is always looking for members that want to take an active role in the credit union. Board and Supervisory Committee seats are for three-year terms and the election results are announced at the annual meeting held in March of each year.

Contact your Board of Directors or CEO if you are interested in additional information.
